MEMORANDUM FOR: General Counsel

SUBJECT : EOD Secrecy Agreement.

1. On 26 July Mr. Dulles queried me as to what Agreements were signed by personnel entering on duty with CIA which prohibited them from divulging information obtained in the performance of their official duties. I quoted paragraph three of our present EOD Secrecy Agreement whereupon he said that he did not believe the Agreement was as strong as he would like to see it. He was dissatisfied particularly that it was limited to "classified" information and requested that I ask you to work out something which would preclude the disclosure of any information in consideration of an individual's right to be employed in CIA.

2. Would you please look into the matter and give me your recommendations at an early date.
